New members must have an established USGA Handicap Index or have submitted 54-holes to the Handicap chair to be eligible for the Game of the Day.

In addition to a greens fee, everyone with an established handicap, must pay \$4.00 each week for the Game of the Day. An Optional "chip in" pot is available at the desk each week.

Our season opener will be held on Monday April 6, at 9:00 AM. We will have a clinic with Head Golf Professional, Tim Tafoya, our annual Spring meeting, and play 18 holes of golf (just for fun). This is a chance to renew old friendships and make new ones as our 2020 season begins.
