

March 1, 2021

Greetings from your G.J. City Ladies' League Committee,

The 2021 golf season is right around the corner and your Ladies' Committee is looking forward to the new changes on deck for the season!

New this year, the Lincoln Park, Tiara Rado Morning and Tiara Rado Evening leagues have merged into **ONE**—no longer will you need to pay 3 sets of dues to play in all leagues! Your registration fee will include ONE established U.S.G.A. handicap, as well as golf shop merchandise discounts and food concession discounts. League members will also be eligible for special play rates on league days at Tiara Rado!

We are also offering a limited number of Monument sponsorships, available for individuals and/or businesses to increase overall awareness and show support for our new league in Grand Junction. Becoming a sponsor is a great way to generate exposure for your business daily, in addition to increasing the purse for weekly league and major tournament play. We invite you to attend an Informational Meeting and Clinic on Wednesday, March 31, 5:30 p.m. at Tiara Rado to discuss all the exciting opportunities coming this season!

Feel free to contact anyone on the G.J. City Ladies' League Committee with any ideas, questions or comments you may have.

See you on the course!

Best regards,
